

Employment Opportunities-

Flag Persons and Labourers

Currently looking for **Flag persons and Labourers** to control traffic and laborers to supplement our mobile crews in all areas of SK this spring. Flagging experience is an asset but training can be provided to the right candidate and must be willing to work as a laborer when needed. We will be working in the Meadow Lake, Humboldt areas and are needing traffic control for the road maintenance season. Must be able to provide own transportation to job sites located in rural location.

Job Details:

- Responsible for controlling traffic in our work zones.
- Responsible for helping traffic accommodation move signs and delineators
- Must be able to work on your feet for long durations with lots of walking involved.
- Past flagging experience is considered an asset.
- Local to Meadow Lake is an asset but will provide accommodation for the right candidate.
- Valid Class 5 license and vehicle to get to work.
- Able to work outdoors.
- Are a team player by not being afraid to help out on other job site tasks.
- Willing to work long hours. You are the first on the job site and the last to leave.
- Responsibility for yourself and others in a safety conscious environment.
- Must be physically fit, be on your feet for extended periods of time, and lift up to 50lbs.

Requirements:

- Own transportation
- Valid driver's license

Credentials (certificates, licenses, memberships, courses, etc.)

- Traffic Control Person (TCP) Certification
- Traffic Control Signage (TWS) Certification

Skills and Abilities

- Document use, Oral communication, Working with others
- Problem solving, Decision making, Critical thinking
- Job task planning and organizing
- Direct traffic at or near construction sites

Work Conditions and Physical Capabilities: Fast-paced environment, Repetitive tasks, Physically demanding, Steel-toed safety boots

Weight Handling: Up to 23 kg (50 lbs.)

Type of Construction: Hwy. surface repairs
